6. [redacted] Attempted again to see William Saltonstall, in the office of Senator Leverett Saltonstall, on several relatively minor items but found that he was again in Massachusetts and will not return until this Friday or next Monday. I will attempt to see him at that time.

7. [redacted] William Lowell, Senate Internal Security Subcommittee staff, contacted us regarding the title used on the French translation of Mr. Helms' testimony before the Subcommittee on Communist Forgeries. Suzanne Labin, ardent anti-Communist in France, has written to the Subcommittee with a suggestion that the translated title of Mr. Helms' testimony does not create the proper impression as to the contents of the testimony and has suggested alternative French translations. We are to be in touch with CI Staff on this.
